Evan & Nola, 19th Sept 2019

Hi Stella, just a short note following Alison & Graham's wedding to say a sincere 'thank you' to you and the guys for playing and singing at the event. Everybody commented so favourably and highly on how the music added so much to the overall proceedings, from the jazz played before and after the ceremony to the songs you played and sang during the ceremony and the music during the candle-lighting piece. We must especially mention your kindness in playing during the seemingly interminable post-wedding photos - it was deeply appreciated. We will be singing your praises for years to come and passing on the strongest of recommendations to family and friends to contact you for other events where your music is needed. We cannot thank you enough for your professionalism, care and attention to detail. We wish you continued success for many years to come and look forward to catching up again at the many events you play around the country. With warmest personal regards & deepest thanks.

Alan, Sandra & family, 5th Feb 2019

Hi Stella, I'm so sorry I didn't get to do this sooner, but with honeymoon and in the general after wedding bubble, time has just flown by! Ken and I both just want to thank you kindly for performing for us at our wedding. You were just fantastic and guests are still asking about you and commenting overall on how wonderful the church music was! You worked so professionally with the string quartet and you performed Bright Blue Rose so well it nearly made me cry (again!). We just got the video and it was great to hear it all over again. I'm passing your details on to my friends who've recently got engaged so I might see you again! Regards.

Deirdre & Kenneth, 18th May 2019

I honestly can't believe what an amazing day we had and you contributed to that massively. You were absolutely amazing from when I first got in touch to the day itself, I never had to worry about a thing. Thanks again for everything and best of luck in the future.

Stella, thanks so much for playing at our wedding on Friday. You were absolutely fantastic. We got a heap of compliments about the music in the church. You were a brilliant to deal with, easy going and attentive. You worked great with the violinist and the music was haunting. Hi Stella, David and myself are just back from our Honeymoon and we just wanted to say a big thank you for singing at the church ceremony for our wedding. Your singing was wonderful and all the songs went perfectly. Sorry we never got to talk to you before or after the ceremony. Thanks again.

Maria & David, 3rd September 2016

We were fortunate enough to have Stella sing at our wedding ceremony & drinks reception in August this year. As an amateur singer myself, music was very important to me and I must have listened to every singer in Ireland before I heard Stella. Once I heard her I fell in love with her voice and I would have moved my date to have her as part of our day! We initially were looking for music for the Church only but having listened to Stella's jazz sets- we HAD to have her entertain our guests at the drinks reception too. She was a total professional to deal with from first point of contact, very flexible and learned one of my favourite songs for us. Her voice is the kind of voice that gives you goose-bumps and one that you'd never forget. I was blown away with the amount of guests that mentioned her singing, including people that would never usually notice or comment on music! I couldn't recommend her more highly.

Una & Ben, 20th August 2016

Hi Stella, hope you're well! Sorry for delay... We switched off for the honeymoon but it's back to reality now! Anyway, Michael and I both wanted to say thank you so very much for your beautiful performance during our ceremony! You added so much to the ceremony! And many of our guests complimented you and Linda as well! We truly appreciate what you did! It was beautiful! Thank you! Wishing you both all the best. Again, thanks a million!

Elisa & Michael, August 2016

Stella!! We are just about back to normality this week!! Firstly I just want to say thanks so much for being part of our wedding day. I have had so many people ask who was singing and where had I found you!! Truly beautiful. We couldn't be happier with the way it all came together and you really do have such an amazing voice. Secondly I'm so sorry that I never even got to say hello! I felt so bad the next day when we were chatting and I realised I never even got to say hello! Again thanks so much! I'll be recommending your name to any friends who'll be walking up the aisle.

Caroline & John, July 2016

Hi Stella, Just a quick mail before we head off to say thank you so much for your beautiful music on Saturday. It was even better than I hoped for. I'm only sorry I missed the music prior to the ceremony; my father-in-law hasn't stopped talking about it...you played all of his favourites. I'm sorry I didn't get to thank you in person for making the journey. Last summer I spent a lot of time researching the church music and loved you the minute I listened so it meant a lot that I didn't lose the booking due to change of venue. We'll have no hesitation in recommending you to family and friends. Thanks a million.

Laura & Cillian, 16th July 2016

Hi Stella, we have spent all week re-living last Saturday, it was the most magical amazing day of our lives. We want to thank you & the lads for the wonderful music & for creating a superb atmosphere. You have no idea how many compliments you got from our guests & it just felt so special to have my ole school pal playing at my wedding. You guys judged the mood of the crowd perfectly. When you called the "last song" it inspired Paul & I to hit the dance floor even though we had no intention of doing a first dance it was perfectly timed to do a "last dance" & we enjoyed every minute. I hope you know how amazingly talented you are & how much you impacted our day. I really hope our paths cross in the future. Lots of love.

We also loved our first dance – you performed such a great version of "More" and although the dancing was a bit questionable, the singing certainly wasn't. I would highly recommend you and the band to anyone and hope to pop into Cafe en Seine some afternoon and bring my parents along for a treat sometime soon. Thanks again for everything. Hi Stella, just getting back to you to say what a wonderful performance yourself and the group gave us at our wedding party in Skerries last month. It took on a life of its own, and you gave the crowd exactly what they wanted. Not quite the mellow evening I had envisaged when we planned but exactly right for the night and the guests. You followed the crowd and it was just perfect - Our friends are still talking about it and we feel the music made the night special and quite different! Thank you so much and please let the musicians know also how happy we were with the night. See you in Cafe en Seine sometime no doubt, and a big thanks again from both of us!

Lots of our family and friends complimented you, and Stephen and I intend to come and see your show later in the year in Northern Ireland. I have a lovely photo given to me by the photographer which I will forward to you separately. With kind regards and many thanks.

Hi Stella, I would just like to thank you from the bottom of my heart for the most amazing music in the church for our wedding on the 9th August in Bagenalstown. You really blew me away - your voice is amazing and my guests have not stopped talking about you! I couldn't help but look up myself to where you were in the choir gallery as the music was just so powerful I nearly wanted everything to stop so I could enjoy and take in the music!!!

Thank you so much for everything, I will never forget it.

Stella, thank you sincerely for singing at our wedding last Thursday. The music sounded brilliant when I was sitting at the top of the church. My brother-in-law recorded the mass on camcorder and we watched some of it today and it was beautiful to hear it again. You really did a great job for us and we are so delighted to have had you sing for us. A lot of people said it to us over the course of the rest of the day that they thought the choice of song and singing was perfect. A massive thank you!

Hi Stella, apologies that we didn't get to speak to you before you left on Friday night. You were fantastic! We really enjoyed the music, and it was exactly the right tone for the wedding. Thank you so much, and thanks for learning "I Hope You Dance" - it meant a lot to me. Hope to hear you playing (at someone else's wedding maybe, or in Cafe en Seine!) sometime when we are home again! Thanks a million.

Clare & Matt, October 2012

Jenny & Mark, September 2012

Hi Stella, thank you so very much for singing at our wedding ceremony. It was just beautiful, your voice was so fantastic, all the songs were stunning. We couldn't pick any one in particular that we loved more than the others, but "In a Country Churchyard" and "Bright Blue Rose" were fab. So many people wanted to know who our singer was, so I hope you got a few more weddings from our day.

Olivia & Philip, July 2012

Hi Stella, I wanted to say a big thank you for our ceremony & drinks reception at Killashee. After going to see you guys in Cafe en Seine, I knew we were in very good hands. I was most impressed with you from the start but I have to say you really surpassed yourself and made our day all the more special. You have a beautiful voice. I can't tell you the amount of people who were singing your praises (excuse the pun) and how much they enjoyed the music at the ceremony and the drinks reception. I wish I could have been in two places at the same time and was able to hear the jazz you guys played for the drinks reception, which went down a storm with everyone. Everyone was saying how talented the three of you are. I am delighted and relieved that I caught the last few minutes of your set at least and thanks so much for waiting for me to play "As Time Goes By". Loved it! My mum, who was a bit upset that we were not getting married in a church, said that the ceremony was nicer than any wedding she has been to in a church and I have to say a lot of that is down to the beautiful music. I spent quite a while deciding on the music and the readings and it was great to see it all come together so well on the day. So thank you for the music! You have a great gift, I wish I could sing like you but sure I suppose at least I can say that music is one of my great loves and it's something I can appreciate and get a lot of joy from anyway! I'll look forward to seeing you in Cafe en Seine again very soon. All the best in the world to you and the guys.

Liz & Darren, April 2012

Hi Stella, sorry that it has taken me so long to thank you, but the last few months have been crazy busy and it's only now I'm actually getting a chance to sit down and write this. I would like to start by saying thank you, thank you for singing at our wedding mass and sounding your amazing voice through the church during the service. Your voice reached every corner of the church and made the service even more beautiful. Everyone commented on how sweet and soulful your voice sounded. We couldn't have been happier with your performance. I would not hesitate to recommend you to anyone searching for the special voice to complete their special day. Thanks again and kindest regards.

Roisin & Ronan, April 2012

I can't tell you how many of our guests complimented you – you really have a beautiful voice and you made a lovely ceremony a very memorable one. Apologies for not being able to have a proper chat on the day but hopefully we'll be able to pop into Cafe en Seine one Sunday to say hello! Many thanks once again Stella. Kindest regards.

Hi Stella, hope all is well with you. I wanted to drop you a note to say a really big 'thank you' for doing such a wonderful job on our wedding ceremony. The music was exquisite, and we had so many guests come up afterwards to say that it was like being at a concert, and how they could have stayed listening to you for the day. It really added to the ceremony and helped make it the special occasion we both hoped for. Thanks a million!
